

Signia app

You're in control.

Enjoy your hearing aids to the full with just one app for everything you need:

- All controls adjust to your personal preferences
- Audio streaming, remote control and remote support
- Discreetly control the volume and other settings while streaming audio directly into your ears
- Stay in touch with your Hearing Care Professional and get remote support when you need it

Compatible with Android and iOS. The app are free of charge.

Pure Charge&Go X

Life doesn't stand still. With Pure Charge&Go X, you can move freely and still hear what's important in superb clarity. More than 90% of wearers report a natural sound experience while moving.*

The world's first rechargeable hearing aids with acoustic-motion sensors enable you to hear clearly wherever you go and be an active part of every conversation.

Pure Charge&Go X delivers a hearing experience so natural, it's sure to move you.

Pure Charge&Go X

signia

Life sounds brilliant.

The new Pure Charge&Go X

HEAR WHAT MATTERS TO YOU.

signia-hearing.com/pure-charge-go-x

HEARING:
IT'S A MOVING EXPERIENCE

SOUNDS JUST MADE FOR YOU

Everyone has a unique hearing experience depending on where they are and what they are doing. Unlike all other hearing aids, our new Signia Xperience platform lets you hear what is directly in front of you and your general surroundings at the same time. So you enjoy a natural hearing experience personal to you.

Pure Charge&Go X redefines what modern hearing aids can do:

- Understand speech in every situation
- Hear your environment in greater detail than ever
- Enjoy crystal clear sound tailored to your activities
- Be independent with fully rechargeable and ultra-reliable hearing aids

Hear precisely what matters to you.

ALL THE POWER YOU NEED

The all new hearing aid platform together with the new Pure Charge&Go X delivers powerful performance for an outstandingly personal hearing experience. All day long.

At a Glance

- Equipped with revolutionary acoustic-motion sensors
- Rechargeable lithium-ion power cell
- Bluetooth connectivity for direct streaming of phone calls, music and TV
- With tinnitus treatment options

Get the most from your day.

Enjoy the outstanding hearing experience of Signia Pure Charge&Go X to the maximum, however full your day is. Charge your hearing aids up overnight and enjoy a full day's ultra-durable hearing performance.

- Full charge lasts a full day
- Fast charging option keeps you going

Stay connected.

In today's world, everything and everyone is connected. Your hearing aids too. Thanks to their Bluetooth compatibility, Pure Charge&Go X hearing aids let you stream sound from your favorite devices straight to your ears.

- Calls on your smartphone will be automatically streamed directly to your hearing aids
- Listen to your favorite music or TV programs via Bluetooth

Ease tinnitus. The easy way.

For tinnitus sufferers, Pure Charge&Go X features a range of therapy options to make your life more comfortable.
